

NCR P1515 POS Terminal

For the specialty retail industry

Want to spur sales with a low-cost,
high-value retail POS?

YES

Accelerate service with a highly reliable retail POS

The P1515 POS Terminal is custom-designed for fast-paced retail operations. This cost-effective, compactly sized sales tool can be installed anywhere in your business, streamlining customer service. The P1515 POS Terminal connects to as many as 10 peripherals, linking your servers and maximizing their productivity. Benefits include:

- **Accelerating customer service**

The P1515 POS Terminal provides a bright 15-inch touchscreen display and fast sign-on options, enabling quick and accurate transactions.

- **Reducing technology costs**

The P1515 POS Terminal is a perfect starter solution for small businesses. However, it's also powerful enough for large operations that require non-stop basic POS support.

- **Supporting fast-paced sales operations**

With its rugged design, the P1515 POS Terminal is built for daily usage. You'll have peace of mind knowing you can maximize sales opportunities without fear of technology failures.

- **Reducing total cost of ownership**

With its unmatched value, strong performance and long lifespan, the P1515 POS Terminal will pay for itself many times over.

- **Benefitting from green technology**

The P1515 POS Terminal doesn't use a fan to cool its electronics. As a consequence, it delivers better performance and reliability, while reducing power costs.
